

Cheap Trick - Tonight Its You

Tom: E

TONIGHT IT'S YOU

Transcribed by Chuck Norwood

Intro: Gb B Ab B

VERSE 1:

Time's not sleeping, and time won't lose
You can't win, 'cause time can't lose
So stop what you're doing
Start on something new
Don't, don't be hypnotized
Don't start thinking with your eyes

PRE-CHORUS:

(I don't know) why you mean that much to me
(You don't know) what it feels loving you
(We all know) that change is good for you
(That's all right) Gotta do what you gotta do

CHORUS:

All I want is a place in you heart, to fall into
All I need is someone to love
And tonight it's you, tonight it's you

Repeat INTRO

Gb B Ab B
