

Cheat Codes - let me hold you turn me on

```
Intro: Dbm A B Gb B Ab
                                                              Better change their minds
                                                                          Gb
[Verse 1]
                                                              The Henny got us feeling right
                                                                           В
For the longest time we jamming at the party
                                                              You're going home with me tonight
And you're whipping on me
                                                              Let me hold you, girl, caress my body
    Gb
Pushing everything on me
                                                              You got me going crazy
                                                                      E
We got Silentó on repeat
                                                              You turn me on, turn me on
But if you think you're gonna get away from me
                                                              Let me jam you, girl whip all around me
Better change your mind
           Gb
                                                              You got me going crazy
The Henny got me feeling right
                                                                      E
            В
                                                              You turn me on, turn me on
You're going home with me tonight
                                                              Dbm A B B Gb Gb
                                                                         Ab
                                                              Turn me on, turn me on
Let me hold you, girl, caress my body
                   Α
                                                              Dbm A B B Gb Gb
You got me going crazy
                                                                        Ab
                                                              Turn me on, turn me on
You turn me on, turn me on
Let me jam you, girl whip all around me
                                                              Let me hold you, girl, caress my body
You got me going crazy

                                                                                           Dbm
Dbm A B B Gb Gb
          Ab
                                                              You turn me on, turn me on
Turn me on, turn me on
                                                              Dbm A B B Gb
                                                                     Gb
For the longest time, you're staring like you want me
                                                              (Turn me on now)
I can feel your eyes
                                                              Turn me on, turn me on
                                                              Dbm A B B Gb
  Gb
So go tell your friends goodbye
                                                                Gb
                                                              Yeah
We can make our way outside
                                                              Turn me on now
If you think they're gonna stop you coming with me
