

Chelsea Cutler - You Make Me

Tom: F

Babe you know that we don't gotta fight tonight
I promise in the morning everything will be alright, yeah
Let's hang all of our dirty laundry out to dry
I promise in the morning everything will be just fine

Call me, it's always 3AM when you call me
When you know that I don't wanna be lonely
And I could use a hit of your crazy, yeah
Love me, I hate the way you know how to love me
Can't help that you're the one and the only
One I wanna wake up with

Oh, you make me go insane, but that's how I want it
Oh, with every word you say you keep me falling
I'm addicted to the high I get with you
And I can't stop won't let go
Oh, you make me go insane, but that's how I want it

Babe you know that I don't wanna compromise
I promise in the morning everything will be alright, yeah
I swear I told you half a hundred times that I
I wouldn't ride the wave if I ain't got you by my side

Call me, it's always 3AM when you call me

When you know that I don't wanna be lonely
And I could use a hit of your crazy, yeah
Love me, I hate the way you know how to love me
Can't help that you're the one and the only
One I wanna wake up with
Oh, you make me go insane, but that's how I want it
Oh, with every word you say you keep me falling
I'm addicted to the high I get with you
And I can't stop won't let go
Oh, you make me go insane, but that's how I want it

Woah, you got me so high
Baby, only you could
Woah, you set me on fire and it hurts so good
Woah, never wanna stand back where I stood
Woah, you set me on fire and it hurts so good

We don't gotta fight tonight
I promise in the morning everything will be alright, yeah

Oh, you make me go insane, but that's how I want it
Oh, with every word you say you keep me falling
I'm addicted to the high I get with you
And I can't stop won't let go
Oh, you make me go insane, but that's how I want it
