

Chemical Surf - Summer Love

Tom: **D**
Intro: **A Fm G Gm**

A
Is it growing colder?
Fm
Your summer love
G Gm
Soon the sun is going da da da-down
A
Is the party over?
Fm
Have you had enough?
G Gm
Tired of running from the na na na-now

A
See it on your face
Fm
Running in the rain
G
Don?t know where to move
Gm
Don?t know where to move
A

If you can?t see the way
Fm
Just call up my name
G Gm
And I?ll be there for you

A Fm
When you?re freezing I?ll heat up your bones
G Gm
When you need me I?ll carry you home
A Fm G
When you?re lost I?ll hold you close
Gm
And never ever let you go
Never ever let you go
Never ever let you go

A Fm
If you need an angel keep looking up
G Gm
Only demons look da da da down
A Fm
I can keep your secrets no matter what
Oh oh
