If I could turn back time
```

My world was shattered I was torn apart Like someone took a knife and drove it deep in my heart
You walk out that door I swore that i didn't care but I lost everything darling then and there

Too strong to tell you I was sorry Too proud to tell you I was wrong
And I know that I was blind, and darling

If I could turn back time If I could find a way,
I'd take back those words that had hurt you and you'd stay
If I could reach the stars I'd give them all to you
Then you'd love me, love me, like you used to do, oh!

(Gb B E Gb)
