

Cher - Love And Understanding

Tom: C

Intro: Am Em F Am Em F E7 C

C
Here, here in this world - Where do we go

Where do we turn - When we need some love

Bb
It seems that love - Just can't be found

C
Where, where do we stand - When love's supply

Don't meet love's demand - We got enough stars

Em Am
To light the sky at night - Enough sun

Em
To make the whole world bright

F
We got more than enough - But there's one thing

There's just not enough of

Am Em F
Not enough love and understanding

Am Em
We could use some love

F
To ease these troubled times

Am Em F
Not enough love and understanding

E7
Why, oh why
Spend all of our time

Building buildings up to the sky
Reaching everywhere but where
We need to reach the most
Hearts never can win
Oh, in this race
This race that we're in

We've got enough cars
To drive around the world
Enough planes to take us anywhere
We got more than enough
But there's one thing
There's just not enough of
