

Chevy - If I Could Ride a Bike

tom:
Capostrate na 2ª casa

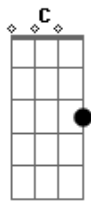

If I could ride a bike
I'd zoom around the world
With you sitting there behind me
I'll take you to places
Past several faces
Just livin' life so care free
If I could sail a boat
I'd cruise across the sea
A sweet adventure for us two
I'll be Jack and you rose
Just please don't let me go

'Cause I'll be nothing without you
Oh when you call me
I'm drifting on clouds
Like I'm dream-ing
But in the morn-ing
I'll wake up and see that your Stuck
Here with me
If only you knew
What I would do for you
I'd jump up and hold you
So tightly
But I will never be
Able to do these things
So I'm just left imagin-ing
