

Chezile - Beanie

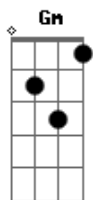

tom:
 [Estrofe 1]
 Hear it in your tone
 You're slowly letting go
 Are you turning off your phone? Oooo
 Feelings turn cold
 [Refrão]
 So cold, for you
 So cold, for you

[Estrofe2]

Oh, I try to break apart, oh
 You don't wanna try no more, more, no more
 Why, why, oh
 Do you live in my mind, mind? Oh
 Said you looked past my love (oh)
 While I came with open arms
 [Refrão]
 For you
 For you
