

# Chi Lenno - Tired

tom:

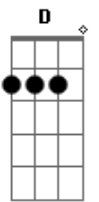

A  
I know I must be strong  
But that's now so hard for me  
I should see another chance  
But I really can't  
I don't want to remember the past  
There's all loneliness  
And I'm afraid that my future  
Can be all the same  
Cause I'm tired of my dreams  
They're nothing else, just dreams  
My life has been just dreams  
That never have come true  
I'm tired of being alone  
With no one I can hold

G F  
With no helping hand  
Life is so hard  
To face  
A D  
I have so much love  
A D  
That has stayed in store  
C D7  
Always on my own  
G D Em  
Whishing a true love  
A D  
I'm hurt deep inside  
A D  
Of being out of the sun  
C D7  
Walks, dreams, love  
G D Em  
A whole life all alone  
F G C G  
I'd wanna see you in my life  
F G Am G

Cause my life is nothing but foolish dreams
