are

that matters

Time passes much too quickly

When we're together laughing

I wish I could sing it to you

I wish I could sing it to you

Oh o o o o o o o o o o o o o o o

Mostly I'm silent, Mmmmm silent

feelings

When I'm with you, It doesn't matter where we

Or what we're doin', I'm with you that's all

into words

forever

forever

When I kiss you, I feel a thousand different

The color of chills, all over my body

And when I feel them I quickly

Try to decide which one

I should try to put into words, try to put

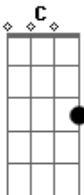

Oh o o o o o o o o o o o o o o o

Only the beginning of what I want to feel

Only the beginning of what I want to feel

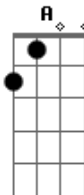

Only the beginning, Only the beginning
