

Chicago - Stay The Night

Tom: C

Am I don't want you to misunderstand me
Am I just want to say what's on my mind
Dm No need to hit me with an attitude
C Because I haven't got the time

Am I want you to know one thing is certain
Am I truly love your company
Dm I won't take no if that's your answer
C At least, that's my philosophy

Dm Stay the night, there's room enough here for two
Dm Stay the night, I'd like to spend it with you
Dm Stay the night, why don't we call it a day
Dm No one can stop us, and nothing is in the way

It comes from friendly conversation
And if you still don't have a clue
Unless there's something else you've got in mind
We've got better things to do

(chorus)

(Just to have you near me) Here by my side
(Just to have you near me) And when I get next to your body
(Just to have you near me) Oh
One thing I can tell you, we're gonna be fine
We're gonna have a very good time!

(solo in F - to chorus chords)
