

Chicago - We Can Last Forever

```
Tom: F
  Intro: F C Dm Am Bb2 C
Verso:
Don't turn away
     G
'Cause there is something
I..... just wanna say
I need you to stay
Don't ask me why
    G
'Cause I don't even kno....w
    G7
               Em7
 How I gave you my heart
I gave it all to you
          Am
Now there's no way that I can lose.
Every little look inside your eyes
```

```
Is all it takes to make me realize
                 C
 We can last forever
 Every little moment we can share
               Dm
                              Bb
Gonna let you know how much I care
                       Dm Bb C
I'll always be there.
(Refrão)
Don't walk away 'Cause there is something
I just gotta say I love you today
Just ask me why you're all I'll ever need Now that you're in my life
I'm gonna please you now
And I'm never gonna let you go
(Solo)
Bb Eb Gm7
                           A D G
          Love lift us away
                          D
           We can last forever
( A Gbm G A A )
```
