

# Chicamandú - Quando a Chuva Chegar

Tom: D

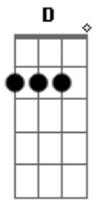

(com acordes na forma de C )

Capostrate na 2ª casa

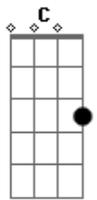

Quando a chuva chegar, lá no pé de serra  
 Fica com medo não  
 Pois vou te abraçar, se começa a ventar  
 Mas se a luz apagar  
 A gente corre e pula no colchão

Ascende o fogo da nossa paixão  
 E esquece da hora até a chuva acabar  
 Amor com medo é bom, faz o fogo aumentar  
 Põe força no abraço e desejo no olhar  
 E se você gostar, eu já sei qual a solução  
 Pois no encaixe do corpo sinto um coração  
 Que reza pra logo outra chuva chegar
