

# Chico Buarque - João e Maria

tom:

Am

Intro: Am F Am Fadd9  
Am F Am Fadd9 Am

[Primeira Parte]

Agora eu era o herói  
E o meu cavalo só falava inglês  
A noiva do cowboy  
Era você além das outras três  
Eu enfrentava os batalhões  
Os alemães e seus canhões  
Guardava o meu bodoque e ensaiava  
O rock para as matinês

[Segunda Parte]

Agora eu era o rei  
Era o bedel e era também juiz  
E pela minha lei a gente era obrigado  
A ser feliz  
E vo\_\_\_\_\_cê  
Era a princesa  
Que eu fiz coroar  
E era tão linda de se admirar

**Acordes**

Que andava nua pelo meu país  
[Refrão]  
Não, não fuja não  
Finja que agora  
Eu era o seu brinquedo  
Eu era o seu pião  
O seu bicho preferido

Vem, me dê a mão  
A gente agora  
Já não tinha medo  
No tempo da maldade  
Acho que a gente nem  
Tinha nascido

[Terceira Parte]

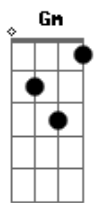

Agora era fatal  
Que o faz-de-conta  
Terminasse assim  
Pra lá desse quintal  
Era uma noite que não tem mais fim  
Pois vo\_\_\_\_\_cê sumiu no mundo  
Sem me avisar  
E agora eu era  
Um louco a perguntar  
O que é que a vida vai  
Fazer de mim

[Final] F7M Am F7M Am
