

Chico Buarque - Lua cheia

Tom: G

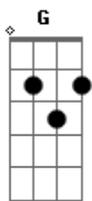

(De: Chico Buarque e Toquinho)

Ninguém vai chegar do mar
 Nem vai me levar daqui
 Nem vai calar minha vio...la
 Que desonso...la, chora notas
 Pra ninguém ouvir
 Minha voz ficou na esprei..ta
 Na espe.....ra

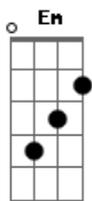

Quem dera abrir meu peito, cantar feliz
 Preparei para você uma lua cheia.....a
 E você não veio, e você não quis
 Meu violão ficou tão triste, pude.....ra
 Quisera abrir janelas, fazer serão
 Mas você me navegou mares tão diver.....sos
 E eu fiquei sem versos, e eu fiquei em vão
