

Choque de Cultura - Samba do Rogerinho

Tom: G
Intro: G D7

Como é que pode? Rogerinho acabou com o pagode

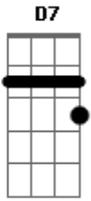

Que absurdo meteu a Sprinter no muro
Rogerinho matou três soldados
Quebrou o cavaco e o tamborim
De um general a cadeira de rodas

Eu fiquei com dó pra pobre senhora
Catando o cavaco caindo no chão
Que aflição
Depois de tudo meteu cavalinho de pau
Saiu de zerinho falou 'na moral
Amanhã venho aqui pra pagar o general'
Como é que pode, Rogerinho acabou com o pagode
