

# Chris Brown - Crawl

Tom: Eb

(com acordes na forma de Capotraste na 3ª casa

G Dm7  
 Everybody sees it's you,  
 F C  
 I'm the one that lost the view,  
 G Dm7  
 Everybody says we're through,  
 F C  
 I hope you haven't said it too.

So where do we go from here  
 With all this fear in our eyes  
 And where can love take us now  
 We've been so far down  
 We can still touch the sky

If we crawl  
 'Til we can walk again  
 Then we'll run  
 Until we're strong enough to jump  
 Then we'll fly  
 Until there is no wind  
 So lets crawl, crawl, crawl  
 Back to love (Yeah)  
 Back to love (Yeah)

Why did I change the pace  
 Hearts were never meant to race  
 Always felt the need for space  
 And now I can't reach your face

So where are you standing now

C )

Are you in the crowd of my foes  
 Love can't you see my hand  
 I need one more chance  
 We can still have it all

So we'll crawl  
 'Til we can walk again  
 Then we'll run  
 Until we're strong enough to jump  
 Then we'll fly  
 Until there is no wind  
 So lets crawl, crawl, crawl  
 Back to love (Yeah)  
 Back to love (Yeah)

Everybody sees its you  
 Well I never wanna lose that view

So we'll crawl  
 'Til we can walk again  
 Then we'll run  
 Until we're strong enough to jump  
 Then we'll fly  
 Until there is no wind  
 So lets crawl, crawl, crawl

So we'll crawl  
 'Til we can walk again  
 Then we'll run  
 Until we're strong enough to jump  
 Then we'll fly  
 Until there is no wind  
 So lets crawl, crawl, crawl  
 Back to love
