

Chris Brown - Don't Judge Me

Tom: C

I don't wanna go there
We should never go there
Why do you wanna go there
I guess I gotta go there

Verso 1:

You're hearing rumors about me
And you can't stomach the thought
Of someone touching my body
When you're so close to my heart
I won't deny what they're sayin'
Because most of it is true
But it was all before I fell for you
So please babe

Refrão:

So please don't judge me
And I won't judge you
Cause it could get ugly
Before it gets beautiful
Please don't judge me
And I won't judge you
And if you love me
Then let it be beautiful
Let it be beautiful (3x)

Verso 2:

Everything I say right now

Is gonna be used in another fight
I been through this so many times
Can we change the subject?
You gonna start asking me questions like
Was she attractive? Was she an actress?
Baby the fact is...
You're hearing rumors about me
And saw some pictures online
Saying they got you so angry
Making you wish you were blind
Before we start talking crazy
Saying some things we'll regret
Can we just slow it down press reset
you're beautiful

[Volta pro C0R0]

Ponte:

Just let the past, just be the past
And focus on things that's gonna make us laugh
Take me as I am, not who I was
I promise I'll be the one that you can trust

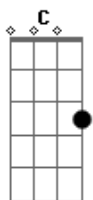

[Volta pro C0R0]

Final:

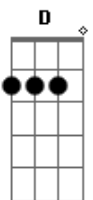

Let it be beautiful
Let it be beautiful
I don't wanna go there, baby
We should never go there.
