Tom: Eb

(com acordes na forma de
Capotraste na 3ª casa C)
Intro: C G Am F

You've got that smile
That only heaven can make
I pray to God every day
That you keep that smile
You are my dream
There's not a thing I won't do
I'll give my life up for you
'Cause you are my dream
And baby, everything that I have is yours,
You will never go cold or hungry.
I'll be there when you're insecure,
Let you know that you're always lovely.
Girl, cuz you are the only thing that I got right now

One day when the sky is fallin'
I'll be standing right next to you, right next to you
Nothing will ever come between us
'Cause i'll be standing right next to you, right next to you
If you had my child
You would make my life complete
Just to have your eyes on a little me
That'd be mine forever

And baby, everything that I have is yours,

You will never go cold or hungry.
I'll be there when you're insecure,
Let you know that you're always lovely.
Girl, cuz you are the only thing that I got right now
One day when the sky is fallin'
I'll be standing right next to you, right next to you
Nothing will ever come between us
'Cause i'll be standing right next to you, right next to you
We're made for one another
Me and you
And i have no fear
I know we'll make it through
One day when the sky is fallin'
I'll be standing right next to you, Woah-ah-ah-ah
One day when the sky is fallin'
I'll be standing right next to you, right next to you
Nothing will ever come between us
'Cause i'll be standing right next to you, right next to you
Stand by my side, side, side
When the sky, falls, down
I'll be there, i'll be there
You've got that smile
That only heaven can make
I pray to God every day
That you keep that smile
