

Chris Cornell - Before We Disappear

Tom: Bb

(com acordes na forma de G)

Capotraste na 3ª casa

Intro: Em C G G Em C G Bm D

Time ain't nothing if it ain't fast
Taking everything that you ever had
And giving nothing in return
But a cold bed in the quiet earth

But there's a door in every cell
A pearl inside of every shell

How hard can it be
To share your love with me?
How hard can it be
To rise with me each morning
How long when it feels like
We'll live forever I fear
That time will hide the years

Life ain't nothing if it ain't hard
It'll show you who you truly are
Knock you down when you get too tall
'Till you spun around in a free fall

But somewhere out there past the storm
Lies the shelter of your heart

So how hard can it be

To share your love with me?

How hard can it be
To rise with me each morning
How long when it feels like
We live forever I fear
That time can hide the years
Like we were never here
So hold on tightly my dear

I'm not one to waste my time
Searching for some silver lining
Somewhere out there lies the stone

Lies the shelter
Of your heart

So how hard can it be (how hard)

To share your love with me?

How hard can it be
To rise with me each morning

How long it feels like

We will live forever

But I fear

Time can hide the years

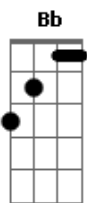

Like we were never here

So hold on tightly my dear

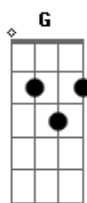

Before we disappear

Before we disappear
