

Chris Cornell - Billie Jean

tom:
G

Em She was more like a beauty queen from a movie screen
Em Said don't mind, but what do you mean I am the one
Who will dance on the floor in the round
She says I am the one
Who will dance on the floor in the round
She said her name was Billie Jean, as she caused a scene
And every head turned with eyes that dreamed of being the one
Who will dance on the floor in the round
People always told me be careful what you do
Don't go around breaking young girls hearts
Momma always told me be careful who you love
Be careful what you do before the lie becomes the truth
Billie Jean is not my lover
She's just a girl who says that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
For forty days and forty nights The law was on her side

Em Who could stand when she's in demand, her schemes her plans
Her schemes her plans
Cause we dance on the floor in the round
So take my strong advice
And remember to always think twice, do think twice
She told my baby that we'd danced till three, She looked at me
Then showed a photo My baby cried, his eyes were like mine
Cause we dance on the floor in the round
People always told me be careful what you do
Don't go around breaking young girls' hearts
Then she stood right by me, the smell of sweet perfume
This happened much too soon when she called me to her room, yeah
Billie Jean is not my lover
She's just a girl who says that I am the one
But the kid is not my son
She says I am the one, but the kid is not my son
So take my strong advice and remember to always think twice
Do think twice
