

Chris Cornell - Can't Change Me

tom:
Bb (forma dos acordes no tom de G)
Capostrate na 3ª casa

Tabbed by: Gaba_P
Album: Euphoria morning
Standard Tuning

This is the guitar tab by G, with
Some minor changes where I thought there should be
The chords may look scary at first but they are really easy
In fact the hole song is not very much complicated

Use a capo on the 3 (you can play it without it, but
With a capo it's much easier) Chords are at the end
