

Chris Cornell - When I'm Down

Tom: C

Intro: Bb7 , E7 , Db , C7

What say you now?
 The door is opening on your vigil
 And i'm in my usual way
 I save my breath, knowing what you're
 Wanting me to say
 I only love you when i'm down
 You say that midnight opens its arms to me
 Leaving you alone, and i fly so far away
 Until the light blurs my vision
 And i have nowhere to roam
 I only love you when i'm down
 And i only love you when i'm down
 And i'm only near you when i'm gone

But one thing for you to keep in mind, you know
 I'm down all the time

Solo: Dm, A, D#, Bb, F, A, A, Dm, Dm, Bb, B

Well i know you're reaching out
 And you need to feel my hand
 You want to be understood, yeah well i understand
 I know you hold precious little hope for me
 And in your hapiness
 I'm always drowning in my grief
 And i only love you when i'm do
 And i'm only near you when i'm gone
 But one thing for you to keep in mind, you know
 I'm down all the time
 All the time, all the time, all the time
