

Chris Cornell - Wide Awake Acoustic

Tom: **F**

If you hear the acoustic version you will hear this descending riff he plays.
While playing the **Dm** it sounds like he grabs the low **F** and open
Low **E** string at the end of each bar. He does this between verses as well.
There are a few different ways to get a good sound for this.

Verse:

Dm **F**
Dm
You can a look a hurricane right in the eye
Dm **F** **Dm**
1200 people dead or left to die
Dm **Bb**
Dm
Follow the leaders, we're in an eye for an eye we'll all be blind
Dm **Bb**
Dm **A**
Death for murder and this I'm sure in this uncertain time

Refrão -----

Dm **F**
So come pull the sheet over my eyes
Bb
So I can sleep tonight
Dm **C**
Despite what I've seen today
Dm **F**
Bb
I find you guilty of a crime, of sleeping at a time

Verse:

Dm **F** **Dm**
Down on the road the world is floating by

The poor and undefended left behind
