Chris Cornell - Wrong Side

```
Fbm
            Abm
                              Δhm
When I was just a boy of ten
 Abm Ebm Abm
My father met a miner?s death
               Gb B
Trapped inside through twenty nights
              Dbm
No one made it out alive
 Abm Ebm
So there I was alone but free
  Abm
           Ebm Abm
The master of my destiny
 B Gb
But trouble found me right away
My close companion since that day
And I?m on the side of wrong again
         Gb Abm
I?m on the wrong side my friend
  Е
             Gb
Whichever way the wind is blowing
         Db
No matter where the river bends
 E Gb Abm
I'm on the side of wrong again
      Fbm
  Ahm
            Abm
At 21 I fell in love
       Ebm Abm
To a girl of 16 years

B
Gb
But a jealous father ran me down
                 Dbm
Left me in the road for dead
Abm Ebm Abm
So I decided there and then
  Abm
               Fbm
                       Abm
I?d find the car, I?d take revenge
  B Gb
But the fire caught the house and fields
```

I haven?t slept a whole night since
