

# Chris Cornell - Your Soul Today

Tom: **A**

Tabbed by: Tyler Merle

Email:

Tuning: EADGBE

Intro: (Verse):

Solo!!!!!!:

Then Repeat.

Bridge:

Repeat twice.

Outro:

Play the verse in the background while the lead plays in the following scale...

And finally, end powerfully on

Key:

- | / slide up
- | (#)/ quick slide up
- | \ slide down
- | h hammer-on
- | (#)h quick hammer-on
- | ~ hold note/vibrato
- | x Mute note

Repeat the above throughout the Verse until the last line, which goes...

Then...

"Can I visit your..."

Chorus:

Verse 2:

Same as verse 1 except for an overlapping organ harmony (which a lead guitar can even adding various effects in order to more accurately emulate an organ)...

and a minor fill, which can also be done by the same guitarist seeing as to how it fits between the organ harmony (if you're fast enough)...

Questions, comments, or death threats can be sent to . Thanks.
