

# Chris Grey - LET THE WORLD BURN

tom:  
Fm Fm  
Lost in the fog  
I fear that there's still further to fall Db7  
It's dangerous 'cause I want it all Bbm  
And I don't think I care what it costs C7  
I shouldn't have fallen in love Fm  
Look what it made me become Db7  
I let you get too close Bbm  
Just to wake up alone C7  
And I know you think you can run Fm  
You're scared to believe I'm the one Db7  
But I just can't let you go Bbm C7  
I'd let the world burn Fm  
Let the world burn for you C  
This is how it always had to end Bbm  
If I can't have you, then no one can C7  
I'd let it burn Fm  
I'd let the world burn C  
Just to hear you calling out my name Bbm  
Watching it all go down in flames C7  
Fear in their eyes Fm  
Ash raining from the blood orange sky Db7  
I let everybody know that you're mine Bbm  
C7

Now it's just a matter of time  
Before we're swept into the dust Fm  
Look what you made me become Db7  
I let you get too close Bbm  
Just to wake up alone C7  
And I know you think you can run Fm  
You're scared to believe I'm the one Db7  
But I just can't let you go Bbm C7  
I'd let the world burn Fm  
Let the world burn for you C  
This is how it always had to end Bbm  
If I can't have you, then no one can C7  
I'd let it burn Fm  
I'd let the world burn C  
Just to hear you calling out my name Bbm  
Watching it all go down in flames C7  
Let it all burn Fm  
Oh, I'd burn this world for you C  
Oh, baby, I'd let it burn Bbm  
For you C7  
I'd let the world burn  
Let the world burn for you  
This is how it always had to end  
If I can't have you, then no one can
