

Chris Grey - LET THE WORLD BURN

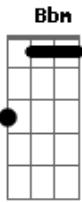

tom:
 Fm Fm
 Lost in the fog
 Bbm
 I fear that there's still further to fall
 Bbm
 It's dangerous 'cause I want it all
 C
 And I don't think I care what it costs
 Fm
 I shouldn't have fallen in love
 Bbm
 Look what it made me become
 Bbm
 I let you get too close
 C
 Just to wake up alone
 Fm
 And I know you think you can run
 Bbm
 You're scared to believe I'm the one
 Bbm C
 But I just can't let you go
 Fm
 I'd let the world burn
 Bbm
 Let the world burn for you
 Bbm
 This is how it always had to end
 C
 If I can't have you, then no one can
 Fm
 I'd let it burn
 Bbm
 I'd let the world burn
 Bbm
 Just to hear you calling out my name
 C
 Watching it all go down in flames
 Fm
 Fear in their eyes
 Bbm
 Ash raining from the blood orange sky
 Bbm
 I let everybody know that you're mine
 C

Now it's just a matter of time
 Fm
 Before we're swept into the dust
 Bbm
 Look what you made me become
 Bbm
 I let you get too close
 C
 Just to wake up alone
 Fm
 And I know you think you can run
 Bbm
 You're scared to believe I'm the one
 Bbm C
 But I just can't let you go
 Fm
 I'd let the world burn
 Bbm
 Let the world burn for you
 Bbm
 This is how it always had to end
 C
 If I can't have you, then no one can
 Fm
 I'd let it burn
 Bbm
 I'd let the world burn
 Bbm
 Just to hear you calling out my name
 C
 Watching it all go down in flames
 Fm
 Let it all burn
 Bbm
 Oh, I'd burn this world for you
 Bbm
 Oh, baby, I'd let it burn
 C
 For you
 Fm
 I'd let the world burn
 Bbm
 Let the world burn for you
 Bbm
 This is how it always had to end
 C
 If I can't have you, then no one can
