tom:

Intro: **Em** **G**

**D** **A**  
On solid fuel and wires  
**C** **G** **Em**  
Turn the key and light the fires  
**D** **A** ( **C** **G** ) **Em**  
We're leaving earth today  
**D** **A**  
This rocket's burning bright  
**C** **G** **Em**  
We'll soon be out of sight  
**D** **A** ( **C** **G** )  
And orbiting in space

**D** **A**  
Pushed back in my seat  
**Em**  
Look out my window  
**D** **C**  
There goes home  
**D** **A**  
That ball of shiny blue  
**Em** **D** **C**  
Houses everybody anybody ever knew

[Refrão]

**G** **D**  
So sing your song I'm listening  
**A** **G** **C** **D**  
Out where stars are glistening I can  
**Em** **D** **C** ( **C** **C** **C** )  
hear your voices bouncing off the moon

**G** **D**  
If you could see our nation  
**A** **G** **C** **D**  
From the international space station  
**Em** **D** **C**  
You'd know why I want to get back soon

**Em** **D** **A**  
Eighteen thousand miles an hour  
**C** **G** **Em**  
Fuelled by science and solar power  
**D** **A** **C** **G** **Em**  
The oceans racing past  
**D** **A**  
At half a thousand tons  
**C** **G** **Em**  
Ninety minutes moon to sun  
**D** **A** **C** **G** **D**  
A bullet can't go half this fast

**A**  
Floating from my seat

**Em**  
Look out my window  
**D** **C** **D**  
There goes home

**A**  
That brilliant ball of blue  
**Em** **D** **C**  
Is where I'm from, and also where I'm going to

[Refrão]

**G** **D**  
So sing your song I'm listening  
**A** **G** **C** **D**  
Out where stars are glistening I can  
**Em** **D** **C** ( **C** **C** **C** )  
hear your voices bouncing off the moon

**G** **D**  
If you could see our nation  
**A** **G** **C** **D**  
From the international space station  
**Em** **D** **C**  
You'd know why I want to get back soon

**A** **E** **D**  
All black and white just fades to grey  
**A** **E** **D**  
Where the sun rises sixteen times a day  
**A** **E** **D**  
You can't make out borders from up here  
**A** **E** **D**  
Just a spinning ball within a tiny atmosphere  
( **C** **C** **C** )

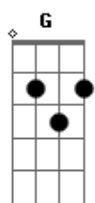

**D** **A**  
Pushed back in my seat  
**Em**  
Look out my window  
**D** **C**  
Here comes home  
**D** **A**  
What once was fuelled by fear  
**Em** **D** **C**  
Now has fifteen nations orbiting together here

[Refrão]

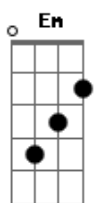

**G** **D**  
So sing your song I'm listening  
**A** **G** **C** **D**  
Out where stars are glistening I can  
**Em** **D** **C** ( **C** **C** **C** )  
hear your voices bouncing off the moon

**G** **D**  
If you could see our nation  
**A** **G** **C** **D**  
From the international space station  
**Em** **D** **C**  
You'd know why I want to get back soon  
**Em** **D** **C**  
You'd know why I want to get back soon
