

# Chris Isaak - King Without a Castle

Tom: **G**

{Verse 1}

Like a **G** king without a **D** castle,  
like a **Am** knight without a home.  
I call your **G** name but there's no **D** answer,  
and I'm **Am** left here on my own.

{Chrous 1}

Just **G** wondering, wondering...  
**D** Wondering, wondering...  
**Am** Wondering, where did our love **C** go.  
Does anybody **Em** know?

{Verse 2}

A **G** man alone he has no **D** future,  
a **Am** man alone he has no friends.  
There was a **G** time I thought I found **D** her,  
the one that'd **Am** love me til' the end.

{Chrous 2}

{Guitar Solo}**G D Am G D Am G D Am C**

{Verse 3}

I'm like a **G** king without a **D** castle,  
with a **Am** heart condemned to roam.  
I'll keep **G** searching til' I find you, **D**  
until I do **Am** I'll be alone.

{Chrous 3}
