

# Chris Isaak - Kings Of The Highway

Tom: D

#Date: Fri, 22 Nov 1996 14:36:34 -0600From: "J.P." >From The CD: Heart Shaped WorldTranscribed On: Gibson Les Paul 6-StringThis File Tabbed & Arranged By: J.P. SeneviratneStandard Tuning  
Slow Ballad  
By: Intro:|-----0000000-----0--||-----0000000-----  
-0--| Three open strings then strum the Em chord|-----0-  
-0000000-----0--| about seven or eight times till you play  
the|---0---222222-----2--| main riff then go back to the  
Em chord. This|-0-----222222-----2--| pattern is played  
through most of the verses.|-----2b-2b-0----|Main  
Riff:-----|-----| Tab Key: b= Bend-----  
-----|-----| = See end notes-----|-----  
-|-2b-2b-0----|Verse 1:EmThe one that I loved, used to laugh  
when I cried.EmThe one that I loved, wouldn't stay by my  
side.EmIf love could of lasted forever I'd be with her  
today.EmIf love could of lasted forever I'd still hear her say  
darling,G Gb EmKings of the highway,

we will be.Verse 2:EmThe faster you drive, the less you can  
feel.EmThe lights on the road, are strange and unreal.EmWhen  
there's nothing to loose, there's nothing to win.EmIn a night  
without day, on a road without end darling,G Gb  
EmKings of the highway, we will be.Bridge:  
EmAnd your hoping the sun won't rise. C C  
EmYour hoping the sun won't rise.G Gb  
EmKings of the highway, we will be.Solo: C-Em-C-Em-C-Em-C-  
EmVerse 3:EmThe one that I loved, used to laugh when I  
cried.EmThe one that I loved, wouldn't stay by my side.EmIf  
love could of lasted forever I'd be with her today.EmIf love  
could of lasted forever I'd still hear her say darling,G  
Gb EmKings of the highway, we will be. G  
Gb EmDarling kings...Of the highway...We will be.  
G Gb EmDarling Kings....Of the  
highway...We will be.EmWe will be.....Em until fade. Send
