tom:
E

A
Well the first time I saw you

On that cold winter's day

E
I was trapped between heaven and hell

Bm
And I really tried hard

A
To escape from your eyes

Dbm E
But my heart was too weak and I fell

A
For you

A
I knew nothing about you

But I just didn't care

E
In desire for you I was caught

Bm
And I promised myself

A
I will never give up

Dbm E
I had no chance at all but I fought

A
For you

B
And we shared a few light years

In a land we called love

Gb
And your kiss was a dangerous gift

Dbm
But my soul was addicted

B
To all that you gave

Ebm Gb
And I prayed und I cursed but I lived

B B B B B
For you

B
Well the last time I saw you

On that cold winter's day

Gb
Oh I felt such a deep pain inside

Dbm
And I wanted to hide it

B
Away from your eyes

Ebm Gb
But my heart was too weak and I cried

B
For you

(B B B B)
