

# Chris Rice - Spare An Angel

tom:

**C**  
**Dm** **G** **Dm** **G**

[Verse]

Found her starin' at the rain  
And ask'n why it has to hurt so bad  
Where's the limit to the pain her heart can take  
Before it breaks in half  
I wanted to be strong enough to hold her  
And show her the way  
But she's so far out of reach  
And now all I can do is pray

[Chorus]

Can You spare an angel tonight  
Send a little help from your side  
'Cause somebody's lost down here  
Let him wing his way through the dark  
Carry some of Your love into her heart  
Can You spare an angel  
Spare an angel  
Spare an angel

[Verse]

She wanders further in the dark  
Feels the cold and hears the thunder cry  
While the rain keeps pouring down  
Her only answer from the lonely sky  
She has no idea how much You love her

Or how much You care  
So would You choose one of Your best  
To be the answer to my prayer

[Chorus]

Can You spare an angel tonight  
Send a little help from your side  
'Cause somebody's lost down here  
Let him wing his way through the dark  
Carry some of Your love into her heart  
Can You spare an angel  
Spare an angel  
Spare an angel

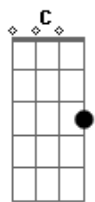

[Bridge]

Oh I don't know what else to pray this time  
Maybe an angel can lead her lonesome heart away to Jesus side  
**G F C G F**

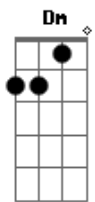

[Chorus]

Can You spare an angel tonight  
Send a little help from your side  
'Cause somebody's lost down here  
Let him wing his way through the dark  
Carry some of Your love into her heart  
Can You spare an angel  
Spare an angel  
Spare an angel
