

Chris Tomlin - Nobody Loves Me Like You

```
Tom: Eb
                                                               ( C D Em G )
 (forma dos acordes no tom de B )
                                                               [Pontel
Capostraste na 4º casa
Intro: G C D G C D
                                                               Oh, what a song to sing
                                                               Oh, what a song to sing
Morning, I see You in the sunrise every morning
                                                               Oh, what a song to sing
It's like a picture that You've painted for me
                                                               Oh, what a song (My heart keeps singing)
A love letter in the sky
                                                               Oh, what a song to sing (What a song)
Story, I could've had a really different story
               D
                                                               Oh, what a song to sing (I'll never stop)
But You came down from heaven to restore me
              G
                                                               Oh, what a song to sing
Forever saved my life
                                                               Jesus, You love me
[Refrão]
                                                               And I love You. God
 Nobody loves me like You love me, Jesus
                                                               [Refrão]
                        C D
 I stand in awe of Your amazing ways
                                                                Nobody loves me like You love me, Jesus
 I worship You as long as I am breathing
                                                                I stand in awe of Your amazing ways
 God, You are faithful and true
                                                                I worship You as long as I am breathing
Nobody loves me like You
                                                                God, I will worship You
Mountains, You're breaking down the weight of all my mountains
                                                                Forever worship You
                         C
Even when it feels like I'm surrounded
                                                                Nobody loves me like You love me, Jesus
                 Em
You never leave my side, oh-ooh-oh-ooooh
                                                                                        C
                                                                I stand in awe of Your amazing ways
[Refrão]
                                                                I worship You as long as I am breathing
 Nobody loves me like You love me, Jesus
                                                                God, You are faithful and true
                        C D
 I stand in awe of Your amazing ways
                                                                Nobody loves me like You
 I worship You as long as I am breathing
                                                                Nobody loves me like You love me, Jesus (I'm a child of God)
 God, You are faithful and true
                                                                I stand in awe of Your amazing ways (Yes, I am)
Nobody loves me like You
                                                                Nobody loves me like You
                                                                Nobody loves me like You
