

Chris Trapper - Into The Bright Lights

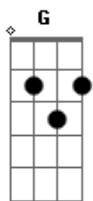

Tom: **D**

(forma dos acordes no tom de **C**)
Capostrate na 2ª casa

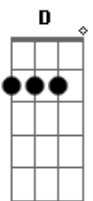

Up and away we set off **C**
Secretly scared we'd get lost **F**
Up in the clouds, over the town **Am** **G**
Beyond the wall **F**
Some of us knew we might fall **C**
Under the weight of it all **F**
And though we'd been warned of the oncoming storms **Am** **G**
Still we stood tall **F**
Soar from the moonlight **C**
Straight to the sunrise **F**
This will be our time **Am**
To free-fall and nosedive **F**
Like a miniature paradise **C**

Out of the black night
Into the bright lights **F**
With the whole world in our sight **Am**
Like a miniature paradise **F**
My shadow is cast on the ground **C**
But I'm flying too fast to look down **F**
At the rooftops and trees, and my family **Am** **G**
Waving at me **F**
Soar from the moonlight **C**
Straight to the sunrise **F**
This will be our time **Am**
To free-fall and nosedive **F**
Out of the black night **C**
Into the bright lights **F**
With the whole world in our sight **Am**
Like a miniature paradise **F**
