

# Chris Young - Tomorrow

Tom: **B**

(forma dos acordes no tom de **A** )

Capostrate na 2ª casa

**A** **E**  
Tomorrow I'm gonna leave here

**Gbm** **E**  
I'm gonna let you go and walk away

**D**  
Like every day I said I would

**A** **E**  
And tomorrow, I'm gonna listen

**Gbm** **E**  
That voice of reason inside my head

**D** **E**  
Telling me that we're no good

**A**  
But tonight I'm gonna give it one last time

**E**  
Rock you strong in these arms of mine

**Gbm** **E** **D**  
Forget all the regrets that are bound to follow

**A**  
We're like fire and gasoline

**E**  
I'm no good for you, You're no good for me

**Gbm** **E** **D**  
We only bring each other tears and sorrow

**Bm** **D** **E**  
But tonight, I'm gonna love you like there's no

**A** **E**  
Tomorrow I'll be stronger

**Gbm** **E**  
I'm not gonna break down and call you up

**D**  
when my heart calls out for you

**A** **E**  
And tomorrow, you won't believe it

**Gbm**  
But when I pass your house

**E** **D** **E**  
I won't stop no matter how bad I want to

**A**  
But tonight I'm gonna give it one last time

**E**  
Rock you strong in these arms of mine

**Gbm** **E** **D**  
Forget all the regrets that are bound to follow

**A**  
We're like fire and gasoline

**E**  
I'm no good for you, You're no good for me

**Gbm** **E** **D**  
We only bring each other tears and sorrow

**Bm** **D** **E**  
But tonight, I'm gonna love you like there's no

( **A** **E** **Gbm** **E** **D** **E** )

**D**  
Baby when we're good, you know we're great

**E**  
But there's too much bad for us to think

**Gbm** **D** **E**  
That there's anything worth trying to save

**A** **E**  
Tomorrow, I'm gonna leave here

**Gbm** **E**  
I'm gonna let you go and walk away like every day I said I

would
