

Chrisette Michele - Love Is You

tom:

Intro: Ab Db7 Eb Cm F

[Primeira Parte]

Ab
What's your definition of it?
G7
How's it make you feel?
Cm
Tell me what you say
F7
That truly makes it real

Ab
Kings and Queens, Philosophers
G7
Have tried so hard to find
Cm
Tell me what it means to you dear
F7
Nevermind

[Pré-Refrão 1]

Ab
Love is kind when the world is cold
Db7
Love stays strong when the fight gets old
Cm
Love's a shoulder to lean on
F7
Love is you

Ab
Love's like the water when the well runs dry
Db7
Quench my thirst, keep me alive
Cm
Just need one sip baby
F7
Love is you

[Refrão]

Ab G7
Love is you, love is you
Cm F
Love is you, love is you

[Segunda Parte]

Ab
Is it possible
G7
There is a kiss that's so divine
Cm
Or am I just a fool
F7
Is it all in my mind?

Ab
Is there something chemical
G7
A scientist might say
Cm
Well love must be a drug
F7
To make me feel this way

Acordes

[Pré-Refrão 2]

Ab
Cause love's my permission to be who I am
Db7
No inhibitions cause you understand
Cm
Freedom to breathe oh baby
F7
Love is you

Ab
Love's like a kiss when the sun goes down
Db7
Holds me tight when no one's around
Cm
Love's what I want to hold on to
F7
Love is you

[Refrão]

Ab G7
Love is you, love is you
Cm F
Love is you, love is you

Ab G7
Love is you, love is you
Cm F
Love is you, love is you

[Ponte]

F
Love is kind, it makes me stronger
Ab
I don't have to look no longer
Eb
You're the one I cling to
F7
Love is you

F
When the chips are down
Ab
Love will stick around
Eb
I'm so glad I found
F7
Love is you

[Pré-Refrão 3]

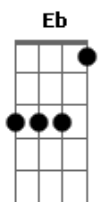

Ab
As much as I've tried to clarify
Db7
Love's quite simple, he's just my guy
Cm
A Perfect definition
F7
Love is you

[Refrão]

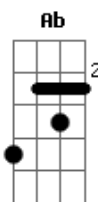

Ab G7
Love is you, love is you
Cm F
Love is you, love is you
