tom:
Am

Dm G C7M F7M
Tudo acabado mesmo sem você dizer uma palavra

Dm Bm7 E
Senti no seu abraço aquele frio

Am
De quem vai embora

Dm G E Am
Te agarrei mais forte e quis te prender

Dm Bm7 E
E falei baixinho com uma lágrima nos olhos

Am
Não me deixe aqui

Dm G C7M F7M
Falei dos nossos risos, nossos planos inacabados

Dm Bm7 E Am
Pensei até no nosso amor mal resolvido

Dm G

Mas beijou meu rosto
C7M Am
E me disse adeus

Dm
Eu quis mais um abraço

Bm7 E Am A7 B A7
Mas senti você saindo do abraço meu

Dm Am
Leva, a solidão que já está comigo

Bm7 E
Me faz acreditar, me dê motivos

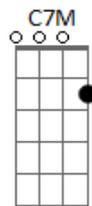

Am A7 B A7
Pra ter a minha vida sem você

Dm Am
Leva, a solidão que já comigo

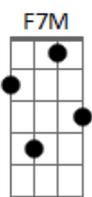

Bm7 E
Me faz acreditar, me dê motivos

E7 Am
Pra ter a minha vida sem você
