

Christian Gates - Numb

tom: Db

Right now Db

I'm laying in bed with nobody to love Ab

And my ex probably out having fun hooking up Eb

With the person that she told me not to worry about Fm

But it's alright 'cause we're both numb Eb Db

Right now

Still feelin' lonely as fuck Ab

I don't even have the energy to try to get up Eb

Should've never had a girl I got to worry about Fm

But it's just life and there's no love Eb Db

Girl you know it doesn't bother me

That I'm not with you Ab

But I hope that I'm on your mind Eb

Baby tell me that you thought of me

Cause I thought of you, with a girl that I met last night Db

I don't wanna live in this fake shit Ab

Don't want fake love and relations Eb

We don't gotta make love through relationships Fm

But we still fuck and we hate this shit Eb Db

We still numb but we fakin' it Ab

Bet you're laid up on your new mans chest Eb

You can't feel shit 'cause you're too depressed Fm

But it is what it is I guess Eb

Right now Db

I'm laying in bed with nobody to love Ab

And my ex probably out having fun hooking up Eb

Fm

With the person that she told me not to worry about

But it's alright 'cause we're both numb Eb Db

Right now

Still feelin' lonely as fuck Ab

I don't even have the energy to try to get up Eb

Should've never had a girl I got to worry about Fm

But it's just life and there's no love Eb Db

And there's no time Ab

Why should I waste my life on you? Eb

When you think he's more your type Fm

You must be out your mind Eb Db

I tried to smoke and losin' track of the night Ab

But this time I just can't control it Eb

Daylight come before I'm closing my eyes Fm

Can't sleep when I feel so broken Eb Db

I like to pretend that it's, not what it seems Ab

But every time I wake up, I see her in my dreams Eb Fm

Right now Db

I'm laying in bed with nobody to love Ab

And my ex probably out having fun hooking up Eb

With the person that she told me not to worry about Fm

But it's alright 'cause we're both numb Eb Db

Right now

Still feelin' lonely as fuck Ab

I don't even have the energy to try to get up Eb

Should've never had a girl I got to worry about Fm

But it's just life and there's no love Eb Db
