[Verse 1]

C When I was young I would look in the mirror
C Didn't know it then but now it couldn't be clearer
C That I remember being filled with such wonder
C Before learning that the world could be harsher
C F C Who you love or the color of your skin
C Or the place that you were born and grew up in
C Shouldn't decide how you will be treated
C Cause we're all the same when everybody's breathing

[Chorus]

C F C Waiting for a change to set us free
C G C Waiting for the day when you can be you and I can be me
C F C Waiting for hope to come around
C G C Waiting for the day when hate is lost and love is found

Am G C Waiting for a change, waiting for a change
C F C C F C Change, change

[Verse 2]

C For all the brave and the souls who went before us
C Stand tall, then proudly lift your voices
C Let 'em know who we are and our choices
C And one day we won't have to sing this chorus

[Chorus]

C F C Waiting for a change to set us free
C G C Waiting for the day when you can be you and I can be me
C F C Waiting for hope to come around
C G C Waiting for the day when hate is lost and love is found
Am G C Waiting for a change, waiting for a change
C F C C G C Change, change
C F C C F C Waiting for a change, change, change

[Outro]
