

# Christina Aguilera - Genie 2.0

Tom: **Db**  
Intro:

**Cm** **Ab**

I feel like I've been locked up tight  
A century of lonely nights  
Waiting, waiting for someone  
You're licking your lips  
And blowing kisses my way  
That don't mean I'm gonna give it away  
Baby.. oh baby..

If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way

The music's playing  
And the light's down low  
One more dance  
And then we're good to go  
Waiting, waiting for someone

My hormones are racing  
At the speed of light  
But that don't mean it's gotta be tonight

Baby.. ooh baby..

If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way  
If you wanna be with me  
I can make your wish come true  
You gotta make a big impression

Gotta like what you do (3x)  
I'm a genie in a bottle, baby.. (2x)  
Come on, come on and let me out (4x)

If you wanna be with me  
Baby there's a price to pay  
I'm a genie in a bottle  
You gotta rub me the right way  
If you wanna be with me  
I can make your wish come true  
You gotta make a big impression  
Gotta like what you do

I'm a genie in a bottle, baby.. (2x)

Come on, come on and let me out (my heart is sayin') (6x)

## Acordes
