Tom: G  
Intro: Bm Bm G7M F#sus 2x

Versel:

Bm Bm G7M F#7sus  
Once upon a time there was a girl.  
Bm Bm G7M F#7sus  
In her early years she had to learn  
Bm Bm G7M F#7sus  
How to grow up living in a war that she called home  
Bm Bm Gamj7 F#7sus  
Never knew just where to turn for shelter from the storm  
Em Bm  
It hurt me to see the pain across my mother's face  
Em  
Everytime my father's fist would  
Gb  
Put her in her place  
G Bm  
Hearing all the yelling I would cry up in my room  
G Gb  
Hoping it would be over soon...

Chorus1:

G D  
Bruises fade, father, but the pain remains the same  
G D  
And I still remember how you kept me so afraid  
G D  
Strength is my mother, for all the love she gave  
A Em  
And ev'ry morning that I wake, I look back at yesterday  
Bm Hm G7M F#7sus  
And I'm ok...

Verse2:

Bm Bm G7M F#7sus  
I often wonder why I carry all this guilt,  
Bm Bm Gamj7 F#7sus  
When it's you that helped me put up all these walls I built  
Em Bm

Shadows stir at night through a crack in the door  
Em Gb  
The echo of a broken child screaming "please, no more"  
G Bm  
Daddy, don't you understand the damage you have done?  
G Gb  
For you it's just a memory, but for me it still lives on...

Chorus2:

G D  
Bruises fade father but the pain remains the same  
G D  
And I still remember how you kept me so afraid  
G D  
Strength is my mother for all the love she gave  
A Em  
And ev'ry morning that I wake, I look back at yesterday...

Bridge:

C G Am  
It's not so easy to forget  
C G Am  
All the marks you left along her neck  
C G Am  
When I was thrown against cold stairs  
C G Am  
And ev'ry day afraid to come home,  
Gb  
In fear of, what I might see next...

Chorus1:

G D  
Bruises fade, father, but the pain remains the same  
G D  
And I still remember how you kept me so afraid  
G D  
Strength is my mother, for all the love she gave  
A Em  
And ev'ry morning that I wake, I look back at yesterday  
Bm Bm G7M F#7sus  
And I'm ok... Mm...  
Bm  
I'm ok...
