

# Christina Aguilera - Reflection

Tom: Ab

Who is that girl I see Staring straight back at me?  
 Why is my reflection Someone I don't know?

Who I really am But you'll never know me  
 When will my reflection show Who I am inside?

Every day It's as if I play a part Now I see If I wear a mask  
 There's a heart that must be Free to fly  
 That burns with a need to know The reason why

Who is that girl I see Staring straight back at me?  
 Why must we all conceal What we think, how we feel?  
 When will my reflection show Who I am inside?  
 Must there be a secret me I'm forced to hide?

I am now In a world where I  
 I won't pretend that I'm Someone else for all time  
 Have to hide my heart And what I believe in  
 When will my reflection show Who I am inside?  
 But somehow I will show the world  
 - de?  
 When will my reflection show Who I am inside?

What's inside my heart And be loved for who I am
