

Christina Aguilera - We Remain

Tom: **E**
Intro: **E**

E
All the ways that you think you know me
All the limits that you figured out, limits that you figured out
Dbm
Had to learn to keep it all below me
B
Just to keep from being thrown around, just to keep from being thrown around
E
Every single time the wind blows
Every single time the wind blows
I see it in your face
Dbm
In a cold night
There will be no fair fight
There will be no good night
To turn and walk away
E
So, burn me with fire
drown me with rain
I'm gonna wake up
Screaming your name
Yes I'm a sinner
Yes I'm a saint
Whatever happens here
Whatever happens here
We remain
We remain, we remain
Burn me with fire,
drown me with rain
I'm gonna wake up
screaming your name
Yes, I'm a sinner,
yes, I'm a saint
Whatever happens here
Whatever happens here
We remain

'Cause we never let it slow us down
No, we never let it slow us down
(Oh yeah)
Every single time the wind blows
Every single time the wind blows
I see it in your face
In a cold night
there will be no fair fight
There will be no good night
To turn and walk away
So, burn me with fire
drown me with rain
I'm gonna wake up
Screaming your name
Yes I'm a sinner
Yes I'm a saint
Whatever happens here
Whatever happens here
We remain
We remain, we remain
Burn me with fire,
drown me with rain
I'm gonna wake up
screaming your name
Yes, I'm a sinner,
yes, I'm a saint
Whatever happens here
Whatever happens here
We remain
