Tom: E

E
I can't fall asleep tonight
B
I'm not the same without you
Dbm
Since I've been gone, since I've been gone
E
When I lay down at night
B
Nobody's here to catch the tears I cry
Dbm E B
Can't wait to be home, wait to be home

E
A million more miles till I get to see you
B
A thousand more minutes I know I'll have to go through
Dbm A B
Counting my, my way back to you
E
A hundred more thoughts of us to consume me
B
Too many steps till you're right in front of me
Dbm A B
Counting my, my way back to you

(E)

E
I keep good company
B
But most days I'm still lonely
Dbm
Without you here, without you here
E
I try to do my thing
B
But I just might go insane
Dbm E B
Without you near, without you near
E
A million more miles till I get to see you
B
A thousand more minutes I know I'll have to go through
Dbm A B
Counting my, my way back to you

A hundred more thoughts of us to consume me

Too many steps till you're right in front of me
Dbm A B
Counting my, my way back to you

(E)

A E
If you could travel the world

Right now, I keep waiting
Gbm Db
A little longer, to be by your side

(Gb Db B Db)
