Christina Grimmie - Cry Wolf

Tom: D

Bm They say the brightest stars D are the ones that burn out first Bm G and I was quick to give my heart D Α turns out that you get yours Bm And you tell me that you love me tell me that you need me didn't see it coming, sorry I believed it I was buying every line you sold and even though we lost it, never really had it what's your secret hiding in the attic Α the only one you never told Bm I need a witness, someone to write it down D for this truth I found; it was a bigger trap Bm begging for forgiveness, it's a hopeless cause you played your cards, no wonder why you cried Bm G D A wolf, wolf, wolf, hey Bm You know how the story goes D in the end the wolf get's fed G Bm you need a miracle after everything you said And you tell me that you love me tell me that you need me didn't see it coming, sorry I believed it Α I was buying every line you sold

and even though we lost it, never really had it
