You didn't ever care for me

You didn't ever care for me

You didn't ever care for me

You didn't ever care for me, oh
G
You didn't ever care for me
F
You didn't ever care for me

C
You unfolded your arms

and unclenched your fists
A_m
And I dropped all my bags

And then on that star I wished
C
What I would do, what I would do
A_m **G**
To be loved, by by you
C
I opened the door and I watched as you looked at me
A_m
With honest confusion, and certainly unrelieved
C
What I would do, what I would do
A_m **G**
To be loved, by by you

A_m
You didn't ever, oh

You didn't ever care for me, oh
C
You didn't ever, oh

You didn't ever care for me, oh
G **F**
You didn't ever care
(**G**)
So now I'm sitting here wondering why

A_m
You didn't ever care for me

You didn't ever care for me

You didn't ever care for me, oh

You didn't ever care for me **F**

C
I can't take back the bite

This fruit was not meant for me
A_m
Deception and vice

At the finest I'd ever seen
C
But what I would do, what I would do
A_m **G**
To be loved, by by you
C
And the funny thing is

A_m
That I settled for the untruth just because
C
I'm slave to the fantasy of being in love
A_m **G**
And what I would do to be loved, by by you

C
Thinking it through

Now I see everything
A_m
How did I not know it

Life with you's but a dream
C
But what I would do

What I would do
A_m **G**
To be loved, by by you

A_m
You didn't ever care for me

You didn't ever care for me, oh
C
You didn't ever care for me

G **F**
You didn't ever care for me, oh
(**G**)
So now I'm sitting here wondering why

You didn't ever care for me
