

# Christina Grimmie - Echo

Tom: Eb

[Verso 1]

Boy I don't understand your drama  
 Thought we were having fun, should I not have called you  
 Should I be sorry for being me?  
 I'm just trying piece together your mind  
 You and me were cool when I saw you last night  
 Now we're in this state of emergency  
 N.C.  
 Oh yeah

[Pre-Refrão]

You say you have half a dozen  
 But I don't care  
 'Cause I know they ain't nothin like me, babe  
 Ain't nothin like me baby  
 N.C.  
 Hey!

[Refrão]

You keep telling me lies, you know I find out  
 I don't keep it inside  
 I just let it echo, echo  
 Ricochet like an echo, echo  
 Hey!

I won't lay down and die  
 It's over this time  
 X0 goodbye  
 Can you hear it echo, echo  
 Ricochet like an echo, echo

[Verso 2]

You can keep all the hearts you're holding  
 'Cause I don't need you where I'm going  
 I'll just be myself & live for me  
 Yeah-yeah  
 N.C.  
 Hey!

[Pre-Refrão]

You say you have half a dozen  
 But I don't care  
 'Cause I know they ain't nothin like me, babe  
 Ain't nothin like me baby  
 Hey!

[Refrão]

You keep telling me lies, you know I find out

I don't keep it inside  
 I just let it echo, echo,  
 Ricochet like an echo, echo  
 N.C.  
 Hey!

I won't lay down and die  
 It's over this time  
 X0 goodbye

Can you hear it echo, echo  
 Ricochet like an echo, echo  
 (X0 goodbye)

[Bridge]

I know, I know you know  
 There's more than what you show  
 You can't hide, you can't hide it, no  
 The truth will echo  
 Hey!  
 I know, I know you know  
 There's more than what you show  
 You can't hide, you can't hide it, no  
 The truth will echo  
 N.C.  
 Hey!

I won't lay down and die  
 No, no, no  
 X0 goodbye  
 I let it echo (echo, echo)  
 I let it echo (yeah!)

[Refrão]

You keep telling me lies, you know I find out  
 I don't keep it inside (telling me lies baby!)  
 I just let it echo, echo  
 Ricochet like an echo, echo (Ricochet let it echo)  
 Hey!  
 I won't lay down and die  
 It's over this time  
 X0 goodbye  
 Can you let it echo, echo  
 Ricochet like an echo, echo  
 X0 goodbye
