

Christina Grimmie - Liar Liar

Tom: **Bb**
Intro: **Cm Ab Eb Bb F7**

Verso 1:
Can't see you anymore
You're in, and shut the door
Didn't know what I do know now
With words I've been betrayed
You respond and let them fade
and I just won't let you bring me down

You can see what I know and I know
Somewhere there's a sorry heart
Tell me why these roads keep leading
Leading you right back to me

Refrão:
liar liar don't cry on my shoulder
you played with fire and smiled when you told her
whoa-oa-oah, oh-oh-oh
though you were someone
whoa-oa-oah, oh-oh-oh
goodbye to no one (continue Cm until verse)

Verso 2:
So break away your touch
Of bliss you miss so much
But I won't tell you to come back home
Emotions dissipate
Is love designed to hate?
Keep on driving away from here
Eye the rain as it falls in your hands
Will there be another storm?
Tell me why these roads keep leading
Leading you right back

Refrão:
liar liar don't cry on my shoulder
you played with fire and smiled when you told her
whoa-oa-oah, oh-oh-oh
though you were someone
whoa-oa-oah, oh-oh-oh
goodbye to no one

Ponte:
I don't need to know you'll be there
You're not on my mind
I don't need to know you care
(once) Please don't waste my time, Oooohhh,

Outro / Refrão:
liar liar
don't cry on my shoulder
you played with fire and smiled when you told her
liar liar
don't cry on my shoulder
you played with fire and smiled when you told her
whoa-oa-oah, oh oh oh,
thought you were someone.
whoa-oa-oah, oh oh oh
goodbye to no one.
whoa-oa-oah, oh oh oh,
thought you were someone.
whoa-oa-oah, oh oh oh
goodbye to no one.
