Tom: F

(com acordes na forma de D )

Capostrate na 3ª casa

**Bm**  
Hit me like the big bang  
**A** **G**  
Raining like a flash flood  
**Bm**  
Throw me like a hurricane  
**A** **G**  
You, I got you in my blood  
**Bm** **D**  
Wouldn't fall like, ever  
**A** **G**  
Knew was life without you  
**Bm** **D** **A**  
And I would have nothing to lose

**G** **Bm**  
When the ocean meets the sky  
**A** **Bm**  
It settles on the crimson tide  
**G** **Bm**  
I'm gonna give you steady love  
**A** **Bm**  
And love you 'til the storm subsides

**G** **Bm**  
And when the water fills your lungs  
**A** **Bm**  
And your soul begins to die  
**G** **Bm**  
I'm gonna give you steady love  
**A** **G**  
I'm gonna bring you back to life

**Bm**  
Life onto the other side  
**A** **G**  
Images I've never seen  
**Bm**  
Technicolor real life  
**A** **G**  
Baby, what you do to me?  
**Bm** **D**  
Wouldn't fall like, ever  
**A** **G**  
Knew was life without you  
**Bm** **D** **A**  
And I would have nothing to lose

**G** **Bm**  
When the ocean meets the sky  
**A** **Bm**  
It settles on a crimson tide  
**G** **Bm**

I'm gonna give you steady love  
**A** **G**  
And love you til the storm subsides

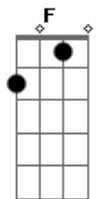

**G** **Bm**  
And when the water fills your lungs  
**A** **Bm**  
And your soul begins to die  
**G** **Bm**  
I'm gonna give you steady love  
**A** **G**  
I'm gonna bring you back to life

**Bm** **G**  
I'll be your lifeline  
**G** **D**  
I'll be the first to jump in  
**D**  
There ain't no current  
**A** **Bm**  
Strong enough to hold me back  
**Bm** **G**  
I'll pull you up from  
**G**  
From the wreckage  
**A** **A**  
Know that I'm never giving up, never giving up  
**Bm D G A**  
Oh no  
**Bm D G A**  
Oh, oh yeah

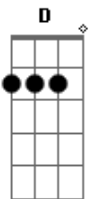

**G** **Bm**  
When the ocean meets the sky  
**A** **Bm**  
It settles on the crimson tide  
**G** **Bm**  
I'm gonna give you steady love  
**A** **G**  
And love you 'til the storm subsides

**G** **Bm**  
And when the water fills your lungs  
**A** **Bm**  
And your soul begins to die  
**G** **Bm**  
I'm gonna give you steady love  
**A** **G**  
I'm gonna bring you back to life
